THE 1946 SANDPRINTS

We can make our lives sublime,
And departing, leave behind us
Footprints on the sands of time."

INTRODUCTION TO THE THEME

MOTHER GOOSE in the 1946 SANDPRINTS flies thru her land of make-believe and gives you a glimpse of the little folk who have been immortalized in nursery rhyme.

Maybe you have never noticed, but Mother Goose has, that in Sanford High her characters are to be found all over again . . . what do you think?

In Memoriam

CLASS HISTORY

Now that we, the Seniors of Sanford High School, are completing our five years of study and starting out on that long road of life, we wish to stop long enough to look back on those pleasant memories of our high school career.

The fall of 1941 brought a new group of cautious and timid boys and girls into Sanford High School. After getting lost several times, going into the wrong rooms and being laughed at by the seemingly heartless upperclassmen, we soon came to our senses and elected class officers as follows to lead us through the year: Jimmy Pardue, president; Jimmie Bridges, vice-president; Rhumell Campbell, secretary and treasurer.

A more eager class entered Sanford High in 1942 as plain Freshmen, glad to drop that "sub." We were very proud to be admitted into the various clubs and other activities that year.

Class officers were: Barrett Boulware, president; Era Mae Campbell, vice-president; and Thelma Williams, secretary and treasurer.

By the year 1943 we became a strong spoke in the wheel of Sanford High. The Sophomore girls received the honor of being waitresses for the Junior-Senior banquet, and some of our boys were by now famed members of our ball teams.

For this year the class officers were: Charles Bell, president; Billy Burkeholder, vice-president; and Mary Fields, secretary and treasurer.

In 1944 we became the ambitious Junior class looking forward to the Junior play, "Here Comes Patricia," which proved to be a great success. Then came the great event of the year, the Junior-Senior banquet, which we had anticipated for the last four years—and we'll never forget dancing to "Star Dust!" Another big event for some of the Juniors was the honor of being marshals for the Senior exercises.

During this eventful year we were guided by: Jimmie Bridges, president; Mary Baldwin, vice-president; Harry Miller, secretary; and Thelma Williams, treasurer.

The fall of '45—we came trudging back to dear 'ole Sanford High—half happy and half sad that this was our last year. We finally realized we were the leaders when Richard was elected President of the Student Council winning over Mary Fields and Jimmy Bridges.

Class officers directing us through our last year were: L. D. Bryan, president; Madeline Carswell, vice-president; Ruby Davenport, secretary; and Mary Lucas, treasurer.

As Memories flicker through our mind we see ourselves gathered around the bon-fire in the rain—those hardy pep meetings when we yelled ourselves blue—Homecoming—sleigh-riding and dances out at the Country Club—our Senior hayride under that beautiful full moon—and OH!—so many more! As we complete these memories we see that they have been pleasant ones indeed; and we wish to thank the kind and patient teachers and principals for helping to make them so, and to wish the oncoming Senior classes as much happiness in the years to come, as we have had in the past!

RUBY DAVENPORT, *Class Historian.*

CLASS POEM

We bid farewell to Sanford High
With emotion deep and true;
Heavy now the five-year tie
We break tonight with rue.

The first four years were packed with fun;
As dreams we see them now;
The years that drifted one by one
Beyond our hold, our bow.

To comrades far across the seas
We lift our voice in praise;
God's mercy rest with each of these,
Shipmates of other days.

Reluctant Seniors now we stand
Before life's open sea,
A-pause upon the well-loved sand;
Unknown, our destiny.

LYNDA GILLIAM, LIBBY GLADDEN, *Class Poets.*

CLASS PROPHECY

To conclude a joyous hay-ride, the Senior Class of 1946 ended up at Madame Goldie's (the fortune teller) trailer on the Jonesboro Highway. Goldie agreed to tell each of us where we would be in fifteen years. Some of the dear old Seniors came out starry-eyed, such as Mary Baldwin when Goldie told her that in fifteen years she would be happily married to her dream guy of high school days, Grafton Pearce.

Time has passed and Madame Goldie's prophecies all seem to have come true. Betty Teague who went to Duke and majored in "campusology" has obtained her "MRS" degree. Elinor McNair (Mrs. "Brute" Yarbrough) is happy at home with her three children. Churchill Womble and Lou Jones are co-starring in the Metropolitan Opera, "Pitch a Few Pennies on the Stage, Please." Jessa Lou Johnson and L. D. Bryan are at the Louvre (famous art gallery in Paris) parlez-vousing with their easels and brushes. Oh for a loaf of Merita Bread! (they can't get used to all the French variety). Louise Horner and Margaret Post are now seen on magazine covers as famous Powers Models.

Rose's Five and Ten now has a new manager, Marjorie Riddle, with Betty Wicker and Mildred Cole as her assistants. Blue Hilliard is struggling through the task of teaching Home Economics in S. H. S., while "Peanut" Baine is coaching basketball. Jane Cole and Peggy Lemmond (the famous jerks in high school) are now co-owners of Cole's Pharmacy. "Pete" Roseman finally pulled Jack, her paratrooper, down to earth and they have settled as "one." Hubert Johnson, the new owner of Lee County Airport No. 8, has recently finished a new book, "How to Smooch While Operating an Airplane" or "The Assets of Remote Control." Charlie Bell is now starring in the new picture, "Peroxide Blonde," with Ann King, his fourth wife, playing opposite him.

Not to our surprise, Betty Ann Lore and Clinton Pickard have finally married. The highest honor possible for an American girl to obtain has recently befallen Betty Ann, which is that of the International President of the 4-H Club. Her husband just finished a book, "The Women in My Life." Jimmie Bridges after practicing so hard in high school, is now a famous pick-pocket on Fifth Avenue. Mary Lucas, our old-maid lawyer (much to her sorrow), is handling all the divorce cases in Lee County. Our former football co-captains are now rivals—"Pokey" Fulton, who has always pulled hard for Carolina, has taken Carl Snavely's place as coach. "Willie" Phillips has taken Eddie Cameron's place at Duke. Myron Bullard is now owner of the "Rocky Baby Food Manufacturing Company." Billie Gregson and his wife, Billie Faye Gunther, are now sole owners of the Cummock grocery. Ray Wicker has taken over all twenty busses of the Sanford City Transit Company. Jack Tyler, the noted author, has just finished his new book, "Tall Tales of Tyler." Libby Gladden is suing Bob Bowers for divorce and her cousin, Lynda Gilliam, who is Reno's most prominent lawyer, is handling the case. Kitty Smith, who has just gotten back from overseas where she made talks on "The Art of Kissing," has just taken vows with Dickie Johnson. Rhumell Campbell Perry is running around with "Lefty" Cashion and Roy Sowers, while her husband, Paul, stays home and looks after their children. Madeline Carswell, who always was a genius, has taken Miss John's place as principal of the McIver School. Buddy Hanner and Juanita Hall have their pictures in magazines advertising Castile Baby Soap. Marilyn Burns, who married a bum, is now taking in washing for a living. Also Mary Fields is still working. She has bought Patterson's Store and she works while her husband, Herbie Taylor, loafs. Ruby Davenport is serving as dietitian at the hospital with Annis Wicker and Thelma Williams as nurses.

Eloise Sawyer looks mighty content, and no wonder, she finally hooked her Navy man! Betty Thomas took a two year course in designing and she designs dresses for all the famous movie stars now. Monroe Matthes is a model for Rit Dye—nice color of red he uses on his hair. Doris McManus is now playing as Dorothy McGuire's double in Hollywood. Susie Riddle is now mayor of "Seabreeze" beach.

Lib Cade just left for Korea, where she will join her husband, "Macey." Vivian Kelly is head cook at the famous night club, "Hardy's" on the Raleigh Highway. Her husband owns the joint. Any time you walk into Dr. Richard Jewell's office, you will find Kitty Sue Hickans, his secretary, sitting on his knee, taking dictation. Finally, we find Ann Brafford and Rosa Lee Burgess doing a famous act on the trapeze with the Barnum and Bailey Circus.

Well, it seems that the buzzard-head, Goldie, knew her stuff after all . . .

Signed:

Burton L. Jackson To Present Marimba Concert At S. H. S.

Every student and lover of music is aware that there are many different musical instruments, but one about which little is known is the Marimba. A musical instrument which consists of a series of sticks of wood, the Marimba is cut and shaped so that each stick when struck produces a musical tone of definite pitch. As used in modern orchestras, it is placed on a wooden base, is played by striking with sticks, and usually has a range of five octaves. A liquid tone is secured by the use of metal tubes as resonators, or even by gourds. The marimba is of ancient origin, known in South Africa and Central America. It is most commonly used in popular, especially Spanish-American dance music, but has occasionally been used by classical composers.

Burton Lynn Jackson, a featured Marimba virtuoso and a member of musical American "Who's Who" is to appear in Sanford High on December 5, at 1 P. M. The admission fee for that performance will be only 25c.

As an exhibition of dextrity, Jackson's flying hands and speeding, invisible mallets are astounding in themselves, but his tonal beauty will arouse the musically unappreciative and thrill every music lover to his inner-most being.

Plans Made For Sandprints

The 1946 Sandprints is going to be the best annual ever produced in Sanford High School. With the cooperation of the student body it will be bigger, better, and cheaper than it was last year. November is the month set aside for the subscription drive in the school. One dollar must be paid in November. This is all the staff asks at this time, because the final price of the annual is not yet known.

The school has a hard working annual staff this year and the members of that staff are doing their best, so please back them up by bringing your first dollar today!

An annual will be given free to the person turning in the ten best snapshots by December 15th. Please place the snapshots in an envelope and drop them in the box provided for them in the hall. Drop in as many snapshots or groups of ten as you can.

—Ann King, Editor of Sandprints.

SCHOOLSICK—THAT'S ALL

(Apologies to the Songwriter)

I Dedicate This Poem to the Boys and Girls Who Graduated at S. H. S.

I miss my playmates,
And my first dates.
I miss the thrill of grammar school romances,
I miss the Junior play and graduation dances,

Famous Artists Appear In S. H. S.

On Tuesday, November 6, Benno Rabinof and his wife, Sylvia Smith, world famous violinist and pianist, presented two very enjoyable concerts to the student body and the town people. Several students were on the welcoming committee: Churchill Womble, president of the Melodians; Betty Lou Jones, president of the Girls' Junior Music Club; and Betty Teague and Kitty Smith, from the Panorama staff. When asked why Sanford was chosen, Mr. Rabinof leplied, "Because I heard that there were so many nice people here."

The evening concert started off with Rabinof playing "Sonata Op. 30, No. 3 by Beethoven and accompanied by Sylvia Smith. This was followed by Concerto in D [illegible] Wieniawski. The night [illegible] creeping in over the low sl[illegible] A slight wind is stirring, [illegible]ing through the trees in silent whispers. So paints the artist the hay ride the Seniors took on Tuesday, October 23.

With Miss James as chaperone, the Seniors breathlessly enjoyed a happy and excited evening of fun. Merrily the riders burst into song, shattering the night stillness with tuneful melodies.

On arriving at the pre-arranged spot (Lynda Gilliam's), a murmur spread from one person to the next until the whole company fell to talking at once. Two huge log fires were blazing on a hillside, sending the licking flames sky-ward. By lamplight and firelight, hot dogs were roasted and devoured instantly. Cold drinks were served to help wash down the savory "dogs." Marshmallows, toasted golden brown and eaten piping hot, concluded the meal. After finishing their delicious servings (courtesy of Libby Gladden and Lynda Gilliam), many strolled to the hilltop to watch the moon rise.

When the moon splashed over the horizon and began its silvery-gold ascent heaven-ward, everyone went up to the farmhouse where a game of "post-office" started. Chief event during the game was when "15" called "32" (P. S. "32" was Miss James!) Well, sir, "32" politely fainted!

A boys' relay race was the funniest event. Two teams were organized, each one having a boxful of "what-the-well-dressed-lady-is - wearing." The object was to see who

S. H. S. Students Give Liberally To War Fund

Sanford High School raised $202.79 for the United War Fund Drive. 12B homeroom led with the highest amount and 11B was not far behind. Since every homeroom that raised over $15 was given a half holiday, students from 12B2, 11B3, 10B2, 9B3, 8B1, 8B2, and 8B3 were missed greatly Friday afternoon, October 20. The sub-freshmen are really loaded with school spirit, which is proved by the fact that all three of the eighth grade homerooms donated over $15 each. All the school appreciates this fact, and the Student Council wishes to thank the eighth grades, [illegible] of the school as well, [illegible] given.

Miss Rosser is making a very attractive library for us. Let's cooperate and help keep it clean AND quiet.

Senior Class Responds To Miss Midgette's Letter

The Senior Class received a very nice letter from Miss Midgette, our former typing teacher. She says she misses us very much and wants an invitation to our graduation.

Miss Midgette, you are more than welcome to our school at any time. We are all looking forward to your visit. We miss you, but hope that you are happy at your present job.

Here's wishing you best of luck until we see you again!

Sanford Students Revel at Halloween Carnival

The Halloween Carnival Tuesday night, October 30, was a bang-up success. Everyone seemed to enjoy it tremendously. The gay colored costumes, blue jeans, loud plaid shirts, and many other gay outfits to suit the occasion were worn by the students as well as the teachers.

The biggest event of the evening was crowning Mary Baldwin as Queen of the Harvest and Red Boyd as King. Mary was given a lovely compact and Red was given a box of that hard-to-get stuff, Beechnut gum. Sheila Bell was the Princess and Jerry Hall, the Prince. The former was presented a box of candy, and the latter a tie.

The gym was decorated in keeping with the season. Along the sides of the room, booths were installed for fortune telling, fishing, throwing pennies and refreshments. The girls and boys of Sanford High surely saw the "joint jiving" that night.

"Don't ya' wanta buy a chance on a turkey?" Sounds like Betty and Mary selling raffles. Charles Bell and Vernon Isenhour won turkeys in this event.

Mrs. Holder was yelling numbers loud and strong at the Bingo table. Mr. Holder made sure she showed partiality to no one by shaking up the numbers. Mrs. Holder, with the help of Max Cotten, made the cake walk a success. Four cakes were given as prizes.

The boys of Sanford High were thrilled to have "Gypsie Rosa Lee Beddingfield" tell their fortunes. She had Peggy Williams for competition. We wonder if they took much jewelry? Or were the students smart enough to remove before they went in the booth to hear the "Gypsies?"

Churchill took in quite a few pennies. Blimp had to stop pitching before he caused Churchill to go out of business, however.

More power to forth-coming Halloween carnivals and S. H. S. The Journalism Class hopes future carnivals will be as successful as this one was.

FOOT

PIGSKIN

When the football practice started in the fall of 1945, the squad promised to be one of the best ever produced in Sanford High. The five returned lettermen, Fulton, Phillips, Bell, McCracken, and Gene Yarborough, led in the building of a strong team.

Phillips and Fulton were elected co-captains at the beginning of the season. Their athletic ability and fine sportsmanship made them tops in the eyes of their team mates.

SANFORD 7—SILER CITY 0

After dropping a practice game to strong Durham, Coach H. A. Clemmer put his forty-seven football candidates together and turned on Siler City. "Pokey" Fulton led the Yellow Jackets on offense and finally carried the ball over from the two yard line. McCracken kicked the extra point.

SANFORD 0—FAYETTEVILLE 6

Sanford High lost a hard fought game to Fayetteville on a pass late in the first half. The Yellow Jackets were masters of the ground plays, gaining twice as much ground as Fayetteville but being unable to make it count. Sanford held Fayetteville to one first down and gave the blue and white boys a game they won't forget for a long time. The whole team played a bang up game.

SANFORD 18—LUMBERTON 6

The first conference game of the 1945 season came out with Sanford on top. Harrington did the tossing and by flipping a pass to McCracken he brought about the first touchdown. Later another pass to Kelly gave the Jackets a 12-0 lead. Lumberton scored against the second team on the kick off by a long run. The last touchdown of the game was made when Taylor galloped fifty-two yards to make the final score, 18-6.

SANFORD 18—WADESBORO 0

Wadesboro found herself completely outclassed by an air minded Sanford club with tailback Harrington tossing three touchdown passes snagged by McCracken, Fulton and Bell. The game was high lighted by long passes to these boys and by several long runs. Sanford's line did a super job stopping Wadesboro's hard charging line.

SANFORD 0—ROCKINGHAM 0

In a thrill packed game Rockingham High and the Yellow Jackets fought each other to a scoreless tie. Showing vast superiority in every department the Jackets chalked up fifteen first downs to Rockingham's three. Although in scoring territory several times and once on the two-yard line bad luck kept the Jackets from going over. Long passes to McCracken and Bell were the outstanding plays of the game. The Sanford line, led by Phillips, held the Tigers at bay.

BALL CAPERS

SANFORD 18—ASHEBORO 0

Scoring in the first period, the Jackets carried away by a score of 18-0. Most of the ground gaining was done on passes from Cole to McCracken. Taylor was really carrying the ball and the reserves which played a large part of the game, held the locals well, allowing the only first down of the game for Asheboro. Willie Phillips played a bang up game at guard.

SANFORD 0—LAURINBURG 6 (Home-coming)

Taking advantage of a break in the early moments of the game, the Laurinburg Scotties romped off tackle for thirty yards and a touchdown, the only one of the game. Putting up a good fight the Jackets came back hard and threatened near the goal line twice but the superior weight of the Laurinburg line held them up. Everyone played a hard game and the loss fell heavy on all for it took us from the conference race.

SANFORD 6—HAMLET 0

Sanford High's small but speedy Jackets buzzed through the Hamlet line and upset the heavily favored team 6-0. Hamlet received the ball and took it first and ten on their own thirty yard line and after three plays it was fourth and twenty-one. Sanford took the point on her own forty-five and with some fancy running by McCracken and a long pass from Cole to Bell, advanced the ball to the Hamlet three from which Taylor, the swurley hipped fullback, carried it over. Though the rest of the game was in favor of the Jackets, they couldn't get across the goal again. Grinning from ear to ear, Coach Clemmer appeared to be the happiest person in town over the outcome.

SANFORD 7—GRAY (Winston-Salem) 25

With a deadly running attack Gray High scored three touchdowns in the first period and forced across another in the second period to make the score 25-0. The last half, however, was a different story with Sanford's thirty pound lighter per man team holding the Salem boys scoreless and scoring themselves on a long pass from Cole to McCracken. The whole squad played a bang up game.

SANFORD 0—REIDSVILLE 19

Playing against a team supposed to win by forty points the Jackets held a vastly superior Reidsville club to three touchdowns and almost scored themselves, getting down to the five yard line on a pass. The Sanford boys played the best game of the year and the Reidsville lads had a time trying to get through our line made up of our two guards, Boyd and Phillips; Ends, Kelly, and Bell; Tackles, Gene Yarborough and Phil Yarborough. Pivot man, Cashion; Fullbacks Cole, Taylor and Fulton. Bryan substituted for McCracken who was hurt in the Gray game.

Sanford Little Blues, the B team, played a whale of a game the whole season by defeating the Durham Junior team twice. They deserve a lot of credit for the success of this year's football season.

OFF THE BACKBOARD

The prospects for a winning team seemed pretty distant to Coach Clemmer when practically all of his basketball material that reported for practice that first week was inexperienced, but that didn't stop him. He turned that inexperience into a minor detail and the "material" on hand into the District Champions.

The title for the Eastern Championship was lost to a strong Greenville team, but the Yellow Jackets turned around and ended the season with a bang by capturing the trophy for the First Annual Elks Tournament.

Paving the way with 185 points apiece, Willie Phillips and Charlie Cole scored high with Mackie McCracken coming in second with 159 points. Sanford's scoring threat was fairly equally divided between the first five and in many cases teamwork alone enabled the Yellow Jackets to take a victory when the odds were against them.

With a defense, considered by some as stubborn as that of the past teams in S. H. S.'s basketball history, the Jackets, led by Captain McCracken, won twenty games and lost six. In comparing the scores you will find that Sanford scored 825 points to the opponents' 623 points, averaging 33 points per game to the opponents' 21 points.

Much praise is given Coach Clemmer who took over a green team and made it into a winning combination. The 1946 team had a successful season and wishes the same to the teams of future years.

Kneeling: Mackie McCracken, forward; Herby Taylor, guard.
Standing: Charles Cole, guard; Charles Bell, center; Willie Phillips, forward.

Co-State Champions is the name given to Sanford High's 1945 Baseball Team which went the whole season undefeated, winning fifteen games and scoring four shut outs. This season the Yellow Jackets defeated Laurinburg for the District Championship and then knocked off Chapel Hill 12 to 2 to clinch the Eastern State Championship.

The "Gold and Blue" boys from Sanford High School have now been through two seasons undefeated in their regular schedule. This year the team scored 147 runs to 32 for their opponents. They stood a good chance of winning the State Championship game with Hanes, however, the game was called off due to traveling difficulties. Everyone has good reason to be proud of the 1945 Baseball Team from Sanford High.

Parody on "THE PIED PIPER OF HAMELIN" by Robert Browning

Into the street the Piper steps,
Smiling first a little smile,
As if he knows what magic sleeps
In his quiet pipe the while.

Then he makes a graceful gesture with ease,
And his eyes reflect a jolly tease,
As he pipes a tune designed to please.
And ere three shrill notes the pipe utters,
. . You hear as if an army mutters;
'Tis like a thousand voices raised in song,
And behold, following the piper in a merry throng,
Are children from all the years along.

The tantalizing melody that comes from his flute,
And the gay yellow and red of his fantastic suit,
Make an exciting promise to each boy and girl
Of wonderful treasures in the outside world.

The Pied Piper comes each year in the spring,
And from his pipe three clear notes ring,
But only the Seniors hear their melody,
That softly beckons—Follow me, follow me.
And so each class awaits its time
To hear the Piper's tune so sweet,
And follow him half gay, half sad,
Away from school a world to meet.
